

ARE YOU IN SECONDARY SCHOOL?

The Youth Ministries Team would like to gather information on what we can do for YOU!

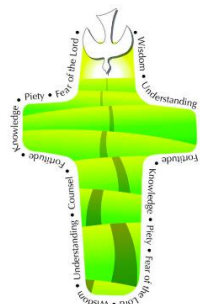

We know that involvement in church life can diminish or even stop when you transition to Secondary School, particularly when transitioning to a non-denominational school. As we don't have a Catholic Secondary School in Bearsden or Milngavie, the link with the church is often lost and we would like to change that.

Please complete this [YOUTH QUESTIONNAIRE](#) (QR Code below) to help us re-establish this link and provide what you want or need as you journey through your teens and into adulthood.

We hope to arrange an event to discuss the outcome of this, so please watch this space.

Pope Francis Faith Award

Pupils from St Nicholas' Primary School, currently in Primary 6, will be working towards gaining the Pope Francis Faith Award.

This will involve reflecting on the Gifts of the Holy Spirit and demonstrating these gifts through Faith Action at home, in school and/or in the Parish.

To be presented with the award candidates must show evidence that they have used all the Gifts of the Holy Spirit when showing love of God and love of others and reflect on how their actions have made an impact on their journey of faith.

Learning, actions and reflections will be gathered in a personal Faith Journal which will act as a scrapbook for collecting evidence towards this Award.

To gain the award with Parish Commendation, the parish must confirm that you are participating in the life of the parish. This can be through involvement in many ministries and activities, including: The Choir, Altar Serving, Welcoming/Stewarding, Children's Liturgy... the list goes on.

To help us manage this in the Parishes, please enrol for Parish Faith actions [here](#)
